VOL. 10.

CLAY CITY, KY., THURSDAY, AUGUST 17, 1905.

NO 33.

Killed By Train.

Jerry McIntosh, conductor on the L. E. work train, was run over at Mud Tunnel by his train Friday and a leg cut off. He was put on board the caboose which was alone attached to the engine and hurriedly run into Lexington where the leg was amputated, but the patient died soon after the operation from the shock and excessive loss of blood. Dr. Littlepage accompanied him from this city on to Lexington. He attempted to jump on the train and fell under the moving wheels

with above results. He leaves wife and two children.

Quit Clay City.

A man giving his name as Charles Taylor, of Booneville, has been boarding at Mrs. W. H. Neal's the past few days but concluded last Saturday night to shake the dust of Clay City from his feet and depart, and with him departed, a gold watch and pair new shoes belonging to Mr. Frost a fellow boarder and a suit of clothes belonging to John Walters another boarder.

J. P. Wright.

Joseph P. Wright is dead, having breathed out his last moments between one and two o'clock Friday, August 11, of cancer and general debility. Burial in the honors of masonry at the old home burial ground near Spout Spring, Saturday, August 12, in the presence of a large number of people.

Deceased was born in Clark county, Ky., July 30, 1820, and was, consequently, 85 years old. Was married, to Martha Ann Todd Sept. 16, 1847. To them were born three children, all of whom are now living. Mrs. Jas. F. McKinney, of Spout Spring, is the oldest child, Elder B. F. Wright, also of Spout Spring, is the older son, and P. A. Wright, of Butler, Mo., the youngest.

December 25, 1896, he was robbed of his wife and most helpful companion, but he married again, this time to Mrs. Nannie Gentry, of Richmond, Ky., a sister to his first wife, and who now mourns his loss. Since his last marriage he has lived in Clay City the greater part of the time.

Mr. Wright united with the Christian church some sixty years ago, and has lived a noble christian life, a life worthy of emulation by all. During all of his life he was pointed out as the model of morals and christianity. Likewise in his younger days he joined the Masonic fraternity, and with much zeal and activity performed the duties of a most worthy Mason. For the last half-dozen years, however, Mr. Wright had been very feeble, and unable to perform the duties of his church membership and order with the same alacrity that he did in younger days, but it was not a waning of his spirit or willingness.

Deceased was also a patriot, having served his country in the capacity of captain during the Rebellion, and there displayed the brave loyal and willing spirit that always so plainly displayed itself whenever the question of duty appeared to him at all epoch of life.

Folded are the busy hands,
In quiet, long and deep;
Closed are the kindly eyes,
In sweet and solemn sleep.
Mute are the lips and cold,
Of utterance mild and wise;
Hushed is the ear to earth
In heaven's glad surprise.
Stilled is the loving heart,
Once full of service sweet,
Gone a loved one from earth,
To walk the golden street.

Ended a useful life,
Ended all grieving and pain;
Ours the sorrowful loss,
His the eternal gain.

Capitol Contracted for.

The contract for the construction of the new Kentucky capitol has been awarded by the State Commission at Frankfort to the General Supply and Construction Company of New York. The contract price is \$800,000 and a bond of \$225,000 will be executed for the completion of the work within two years from the date the contract is signed. The building is to be of stone from the Bedford, Ind., quarries, with a base of granite.

Young Graduate.

Clarence Atkinson, the sixteen year-old-son of County At-

torney, John D. Atkinson, is a graduate from Milliken's School of Phonography at Lexington. This is the youngest graduate yet turned out by this school and they prize this record very highly, and have sent for his photograph which they will use in illustrated circulars advertising their school, which, by the way, is one of the best in the State.

The protracted meeting did not begin at the Presbyterian church Monday night as was announced in our last issue. Pastor Irvin has been sick and for that and other reasons, the meeting has been postponed until September 4, and the dedication will not take place until the Sunday following—September 10th.

Out on Bail.

Matt Tracy has been released on bond in the sum of \$1,750.00 for the killing of Jim Willie Ware. Judge Benton released the \$750 bond required before Ware's death which left the amount as stated above. Jas. A. Wallace, of Irvine, a cousin to Tracy and J. R. Stone filled the bond.

Kodol is a thorough digestant and a guaranteed cure for indigestion, Dyspepsia, Gas on the Stomach, Weak Heart, Sour Risings, Bad Breath and all Stomach troubles. L. A. Soper of Little Rock, Ky., says: "Kodol Dyspepsia cure deserves all the commendation that can be given it, as it saved the life of our little girl when she was three years old. She is now six and we have kept it for her constantly, but, of course, she only takes it now when anything disagrees with her. We feel grateful for the benefit derived from its use and would not be without it." Sold by M. Rose.

New Church Organized.

Elder T. P. Edwards, of Estill county, is in the midst of a successful revival at Marble yard school house, near Union Hall. Up to Saturday Elder Edwards has received twenty-nine additions, and with this number a church organization was formed. After the conclusion of the revival Bro. Edwards will serve them as pastor.

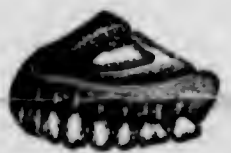

No man can be thoroughly honest without constant practice.

The Only Way.

There is no way to maintain the health and strength of mind and body except nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will let down and disease will set up. No appetite, loss of strength, nervousness, headache constipation, bad breath, sour risings, rifting, indigestion, dyspepsia and all stomach troubles that are curable and quickly cured by the use of Kodol Dyspepsia Cure. Kodol digests what you eat and strengthens the whole digestive apparatus.

ANNOUNCEMENT.

We are authorized to announce ALBERT EASTER candidate for Representative in this, the 73rd. Legislative district, composed of Estill and Powell counties, subject to the action of the Democratic party.

SPOUT SPRING.

Don't forget the auction of store goods at this place Saturday.

Mrs. Texa McKinney, of Ruckerville, visited her mother, Mrs. James F. McKinney, the past week.

Mrs. Flora Spry visited her daughter, Mrs. James Vaughn, in Clark county several days the past week.

Several from this place have been attending the protracted meeting at Kimbrell which began there Saturday night.

Prof. and Mrs. Patton, of Eureka, Ill., who have been visiting the latter's parents, Dr. and Mrs. C. H. Williams for the past several weeks, are now the guests of relatives and friends at Hazel Green.

The numerous friends of Jas. F. McKinney are urging him to become a candidate for Representative from this district, and he has about consented to do so. He will be a very strong candidate, and a man who will help to bring many voters to the Democratic party.

Quite a crowd attended the burial of Joseph P. Wright at his old home near this place Saturday. He was a member of the Masonic Lodge at this place, had been for a number of years and was buried in Masonic honors by this Lodge. He had, until recent years, lived in this community nearly all his life, and has a host of friends, who mourn his demise.

Beware of Ointments for Catarrh that Contains Mercury.

Mercury will surely destroy the sense smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by druggists. Price 75c. per bottle. Take Hall's Family Pills for constipation.

BEAUTIFY YOUR HOME WITH KINLOCH PAINT

Important Memorandum - The painter at the most important factor in painting. A job done by a good painter will last for years. The same goes for a bad painter. (Kinloch Paint, 25¢ per gallon) will last only two years. The "get-you-out" of the good painter's job is \$10.00 - the poor painter's \$25.00.

A small investment in paint adds greatly to the value and beauty of your property and makes you a "good neighbor" by making a good neighborhood. Good painting is one of the best investments and pays big returns in improved values. It's a saving, not an expense. But when you paint - buy only

Kinloch HOUSE PAINT

There's one indisputable reason why, a reason every honest painter will acknowledge. "The Oil is the Life of Paint," and the sure way to get good oil is to buy it fresh and pure from the dealer's barrel, not from the ready-mixed paint can. The paint that is ready to mix with linseed oil, gallon for gallon, is KINLOCH PAINT, and we recommend it for every good reason we know.

Peculiar Disappearance.

J. D. Runyan, of Butlerville, O., laid the peculiar disappearance of his painful symptoms, of Indigestion and biliousness, to Dr. King's New Life Pills. He says: "They are a perfect remedy, for dizziness, sour stomach, headache, constipation, etc." Guaranteed at Swann-Day Lumber Company's store, price 25 cents.

The grunter don't deserve a decent handshake. Hogs were not made to fellowship.

A Touching Story

is the saving from death, of the baby girl of Geo. A. Eyler, Cumberland, Md. He writes: "At the age of 11 months, our little girl was in declining health, with serious Throat Trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's New Discovery for Consumption, Coughs and Colds. The first bottle gave relief; after taking four bottles she was cured, and is now in perfect health." Never fails to relieve and cure a cough or cold. At Swann-Day Lumber Co's store; 50 and 1.00 guaranteed. Trial bottle free.

When a girl studies music just to make a show off, she will only be a show-off, and that is all.

Public is Aroused.

The public is aroused to a knowledge of curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters, of 546 St. Clair Ave., Columbus, O., writes: "For several months, I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak, useless doctors' drugs, that I could not eat. Soon after beginning to take Electric Bitters, I obtained relief, and in a short time I was entirely cured." Guaranteed at Swann-Day Lumber Co's store; price 50c.

It is a noted fact that when one gets, by hook or crook, that which he oughtn't to have, the good of it is gone before he touches it, and it's worse to have it than to want it.

BILIOUSNESS AND CONSTIPATION CURED BY THE FORD'S BLACK DRAUGHT

Because the liver is neglected people suffer with constipation, biliousness, headaches and fevers. Colds attack the lungs and contagious diseases take hold of the system. It is safe to say that if the liver were always kept in proper working order, illness would be almost unknown.

Theford's Black-Draught is so successful in curing such sickness because it is without a rival as a liver regulator. This great family medicine is not a strong and drastic drug, but a mild and healthful laxative that cures constipation and may be taken by a mere child without possible harm.

The healthful action on the liver cures biliousness. It has an invigorating effect on the kidneys. Because the liver and kidneys do not work regularly, the poisonous acids along with the waste from the bowels get back into the blood and virulent contagion results.

Timely treatment with Theford's Black-Draught removes the dangers which lurk in constipation, liver and kidney troubles, and will positively forestall the inroads of Bright's disease, for which disease in advanced stages there is no cure. Ask your dealer for a 25c. package of Theford's Black-Draught.

Buyers here are absolutely sure that they are getting positively the best the market affords in every line of drug store goods.
